Terms & Conditions*

- Tune up service will take about 3-5 business days upon receipt into the shop. If you have a specific time requirement please let us know prior to sending the machine back so we can let you know if we can accommodate you.
- If packaging needs to be sent, that will incur extra shipping costs, please let us know at the time of quote if packaging is needed.
- Only ship back the Pocket NC machine in Pocket NC packaging or pre-approved packaging. Follow Pocket NC shipping instructions (sent before shipment). Pocket NC is not liable for shipping damages.
- If there are issues on the machine for other components those will be charged and considered separately from the tune up service. If you are sending the machine back for repair though this may be a good time to perform the tune up service. Lead time may increase to accommodate other repairs.

*Terms and conditions are specific to tune up service. Standard terms still apply: <https://pocketnc.com/pages/terms-of-service>
